In a living room lit by large windows that filter the warm light of the sun, it feels a bit 'like a small hotel. The relaxed atmosphere and intimate means that everyone can fully enjoy their time: snuggling into a soft couch watching TV, reading a book or newspaper while sitting comfortably in a traditional wooden bench with white pillows or playing a game of chess or cards in front of fireplace, accompanied by the sound of crackling wood.

During the afternoon or in the evening before going to bed our guests could drink a good tisane, a caffè (espresso or black) or a cup of different kind of the.

we are happy to have you as our guests .
