The B & B offer to its guests our family welcome and at the same time, ouwner privacy; we have not just thought to make the rooms warm and cozy, but to savor every moment of relaxation during your vacation: at la Meridiana the time magically stops.

In a living room lit by large windows that filter the warm light of the sun, it feels a bit 'like a small hotel. The relaxed atmosphere and intimate means that everyone can fully enjoy their time: snuggling into a soft couch watching TV, reading a book or newspaper while sitting comfortably in a traditional wooden bench with white pillows or playing a game of chess or cards in front of fireplace, accompained by the sound of crackling wood.

Thanks to the wide spaces our guests not only have their own room available, but can enjoy this beautiful area day and feel at home.

During the afternoon or in the evening before going to bed our guests could drink a good tisane, a coffè (espresso or black ) or a cup of different kind of the.

During the summer our jewelry is a fantastic garden with a lot of flowers and fruit's trees and a nice swimmingpool

we are happy to have you as our guests.
