Welcome to the Hotel Molveno, run by the Bettega family since 1906 and surrounded by the Brenta Dolomities mountain group, Unesco's patrimony, and the beautiful Molveno lake.

The hotel is located close to the Brenta Dolomities mountain group, just on the shores of the lake Molveno, in an enchanting position 1 km from the town centre, that you can reach thanks to a nice walk alongside the lake, and 5 kms from the Paganella Ski resort. The hotel is the ideal location to relax and recharge away from the stress and the noise of the normal life. Privacy is guaranteed, thanks to the big trees that surround the hotel and thanks to the private swimmingpool (accessible just by our customers) with access even to the lake, without anybody else able to either walk in this area or close to it. For those who love training, we have tennis court, mountainbikes to ride the many paths, one can even decide to walk in the mountains or around the lake, windsurfing, sailing... For those who are lazy, they can lie in the sun on our big balcony, with view on the town and on the mountains, drinking a cocktail and listening to some good live music.
