Being able to take care of you, our guest, with the attention you deserve is important to us. We want to tell you about a recipe, the story of a wine, the secret of a producer or to talk to you about our Region. Furthermore, when you arrive at “La Dispensa,” you will feel the strong attachment we have for our land... A small place surrounded by the majestic Dolomites on Lake Molveno where you can take refuge and breathe the perfume of wood of our forests. Our plates resemble the china we used at home for Sunday lunch, our tablecloths have the fresh smell of laundry hung to dry in the wind.
