On the tracks of the bear!

Dolomiti di Brenta Bike: has two separate bike tours inspired and created by bikers for bikers expressing a unique and unspoilt territory. After a long period of research and preparation to satisfy both the novice biker and the most demanding sport enthusiast, this tour is finally ready to welcome its first pioneers!

It is a fascinating mountain bike tour around the magnificent Brenta Dolomites (anticklockwise) which are a morphologic and geologic masterpiece able to render unique and true emotions: from the romanticism of the reddish peaks to the lush green of the pastures, and to the rural villages at the edge of the Adamello Brenta Natural Park. This well organised bike tour through valleys, villages, cultures, people and traditions will take you from the expanse of the apple orchards all the way up to high altitude plateaus passing by cultivated fields, woods, pastures and rocky landscapes!
