Descrizione

The terrace overlooking the Dolomites!

You diverge from the Dolomiti di Brenta Bike main route at Lake Nembia: views over the Limarò gorge and of the lakes of Toblino, Cavedine and Garda reward your efforts after the tough uphill to Margon (according to a local sign, "where silence is a precious resource") and up again to the alpine pastures at Gazza. From here you cross grazing land and pastures to Monte Gazza and Paganella: a tableland you can cycle across with spectacular views of the Dolomites!
